

Relocating To The Area

As a business leader, you'll be relieved to know there are resources in place to assist your team with the details related to moving to a new community. Members of team stand ready to do presentations on the region, provide tours and information packets. Contact the City of Blue Ash Development office at 745-8520 to request assistance.

Blue Ash has a home for every taste and budget, including luxury houses, affordable well maintained houses in established neighborhoods, contemporary town houses and condos, and quality apartment and rental housing. We also have a number of reputable relocation professional with local real estate firm that are to assist you and your employees with your housing search in the Greater Cincinnati area.

Listed below are links to these fine organizations:
